Dear Parents,

Since your student has been so committed and dedicated to putting on the best quality show possible, we encourage you to support them by giving you an opportunity to send them a message in the program. By the way, the students love it and can't wait to peruse the program to find their messages.

For a few dollars, you can wish your actor/actress or technician the best of luck by purchasing space in the program for your personal message. Just fill in the information below and we will do the rest.
